## climalite

**TRANSPORTIERT DEN SCHWEISS.**

Leichtes, atmungsaktives Gewebe, das nahe der Haut getragen wird, transportiert Schweiß von der Haut weg und hält dich auch bei warmem Wetter kühl und trocken. Mit climalite® gibt es den Schweiß an die Umwelt ab. Das speziell konzipierte Gewebe, Fasern und Oberflächen transportieren den Schweiß von der Haut weg an die Oberfläche des Bekleidungsstückes und von hier an die Atmosphäre. Dein Körper versucht, seine natürliche Temperatur konstant zu halten.

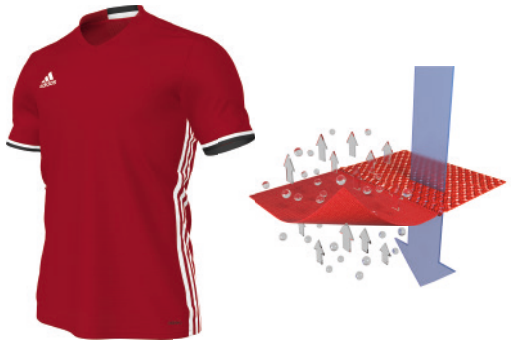
climalite® hilft ihm, diesen Vorgang zu beschleunigen.

## climacool

**ERHÖHT DEN KOMFORT.**

Hält dich selbst bei Höchstleistung und Hitze kühl und bequem, weil Wärme und Schweiß aktiv vom Körper wegtransportiert werden. climacool® leitet Wärme und Schweiß kontinuierlich ab. Speziell entwickelte Belüftungskanäle und dreidimensionales Gewebe sorgen für kontinuierlichen Luftein- und -auslass. Feuchtigkeitsableitende Materialien transportieren den Schweiß weg von der Haut und lassen ihn nach außen verdunsten.

Das Ergebnis ist ein trockener, kühler und damit leistungsoptimierter Körper.



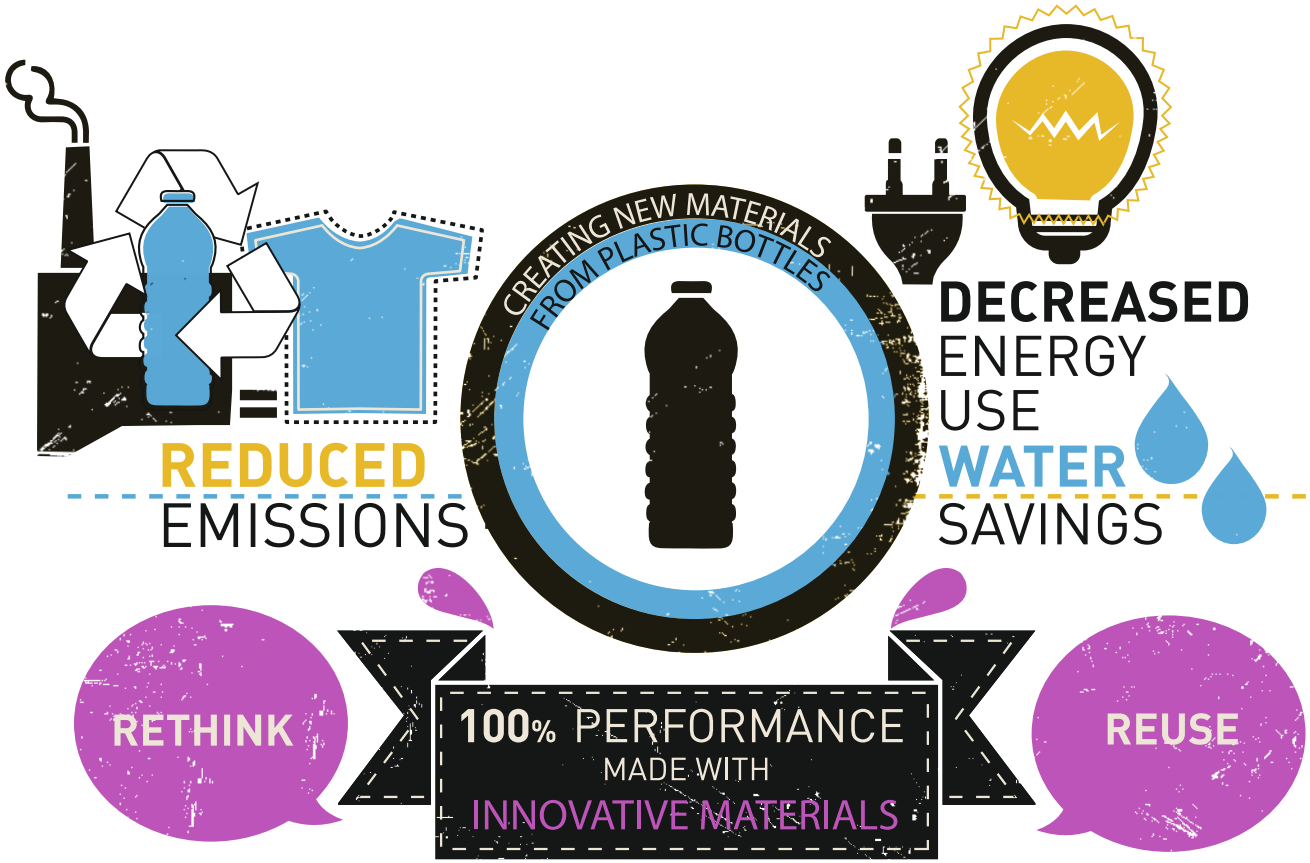
## climawarm

**WENN ES DRAUSSEN KALT WIRD, BLEIBST DU WARM.**

climawarm® ist leichter atmungsaktiver Schutz, der dich bei schlechtem Wetter trocken hält und für Wohlbefinden sorgt. Durch die Verwendung von dicht gewebten Synthetikfasern wird die warme Luft am Körper gehalten.

Obwohl diese Fasern dicht genug sind, um die Köperwärme zu erhalten, sind sie so durchlässig, dass Schweiß vom Körper wegtransportiert wird und leicht verdunsten kann.

# NACHHALTIGKEIT



## RECYCLED POLYESTER

Es kommt auf jede einzelne Faser an: Recyceltes Polyester ist ressourcenschonend und reduziert den Schadstoffausstoß.

MITEAM
CREATE
YOUR OWN
CREATE YOUR TEAM

**miTeam Create your Own:**

Perfekte Spieler brauchen einen perfekten Look. Für ein Spiel, das auffällt: Mit einer Reihe von Personalisierungsoptionen wie Teamname, Spielername und Spielernummer wird jedes dieser individualisierbaren Shirts zum Einzelstück.

- Für einen besonders stilsicheren Auftritt hast du die Wahl zwischen vier auffälligen Drucken für das vordere Basisteil des Trikots. Wähle vertikale Streifen, Nadelstreifen, Ringel oder einen Schärpenstreifen.
- Drei verschiedene Kragenarten machen deinen Look individuell: Polokragen, Rundhals- oder V-Ausschnitt.
- Wähle entweder ein kurz- oder langärmliges Trikot für angenehmen Tragekomfort, egal wo du spielst.
- Individuelle Personalisierungsoptionen umfassen den Teamnamen und das Teamwappen, Spielernamen und Spielernummer.
